Refereed  Non-Refereed  Papers Presented

Refereed
Ahmed, M. Book review: Japan's beef industry: economics and technology for the year 2000 by James et al. CAB International and Biddles Ltd., Guildford, UK.

Bryant, D., L. Burke, J. McManus and M. Spalding, Editors. Reefs at risk: a map based indicator of potential threats to the world's coral reefs. A joint publication by the World Resources Institute (WRI)/ICLARM/World Conservation Monitoring Centre (WCMC) and UNEP, 60 p.

Christensen, V. Fishery induced changes in a marine ecosystem: insights from models of the Gulf of Thailand. J. Fish Biol. 53(Supplement A): 128-142. (Location: Serial Coll.)

Friedman, K.J., J.D. Bell and G. Tiroba. Availability of wild spat of the blacklip pearl oyster, Pinctada margaritifera, from “open” reef systems in Solomon Islands. Aquaculture 167(3-4): 283-299. (Location: Serial Coll.)

Froese, R. Insulating properties of styrofoam boxes used for transporting live fish. Aquaculture 159(3-4): 283-292. (Location: Serial Coll.)

Howlander, M.K., M. Ahmed, M.H. Rahman and M.F. Alam. The economics of integrated agriculture-aquaculture (IIA) in some selected areas of Bangladesh. p. 131-136. In J.A.

Non-Refereed

Williams, M. J. Do fisheries and marine protected areas need each other? Parks (IUCN) 8(2): 47-53.

Williams, M.J. Ecology and development - aquatic resource research at ICLARM. AWIS Mag. 27(2): 6-9.

Papers Presented

Ablan-Lagman, M. Regulating access to biological and genetic resources: EO No. 247 and the Philippine experience. ICLARM Science Day. 29 October.

Ahmed, M. Socioeconomic and policy issues in the management of fisheries in Lake

Bell, J.D. Stock enhancement of tropical inshore species. FAO Regional Workshop on Economic Strengthening of Fisheries Industries in Small Island Developing States in the South Pacific. Apia, Samoa, 14-18 September.

December.

Froese, R. Biodiversity: concepts, data and preliminary results. Conference on Sustainable Use of Aquatic Biodiversity: Data, Tools and Cooperation. Lisbon, Portugal, 3-5 September.

Harkes, I. Project success: different perspectives. Participatory Natural Resource Management in Developing Countries. Mansfield College, Oxford, United Kingdom, 6-8 April.

Katon, B.M. Key conditions and principles drawn from Asian experiences. Co-management of Natural Resources in Asia: a Comparative Advantage. IIAS/NIAS, Isabela, Philippines, 16-18 September.

Pomeroy, R.S., B.M. Katon and I. Harkes. **Key conditions and principles for successful co-management in Asia.** Crossing Boundaries - Seventh International Association for the Study of Common Property. Vancouver, British Columbia, Canada, 10-14 June.

Pullin, R.S.V. **Developing policies for aquatic biodiversity.** Conference on Sustainable Use of Aquatic Biodiversity: Data, Tools and Cooperation. Lisbon, Portugal, 3-5 September.

Pullin, R.S.V., C.M.V. Casal and R. Brummett. **Fish genetic resources of Africa.** Conference on African Fish and Fisheries: Biodiversity and Utilization. Grahamstown, South Africa, 13-19 September. *(Location: Staff Contrib. Coll.)*

Silvestre, G.T. **Sustainable management of coastal fish stocks in Asia: a regional collaborative project to assess resource status and strategic management direction.** Fifth Asian Fisheries Forum. Chiang Mai, Thailand, 11-14 November.

Sultana, P. **Fishing and fish consumption in a culture based beel fishery in Bangladesh.** Fifth Asian Fisheries Forum. Chiang Mai, Thailand, 11-14 November.
Thompson, P.M. and A.B. Shelly. **ICLARM-NGO partnerships in research and community based fishery management in Bangladesh.** International Workshop on Research Partnership between NGOs and Agricultural Research Institutions. International Institute of Rural Reconstruction, Cavite, Philippines, 4-10 October.

Torell, M. **Institutional, legal and policy perspectives on the management of aquatic resources (especially fish) and the aquatic environment in wetlands, floodplains, lakes and rivers in the Mekong River Basin.** Crossing Boundaries - Seventh International Association for the Study of Common Property. Vancouver, British Columbia, Canada, 10-14 June.

Vergara, S.G. **Decision determinants at the population level: leads for coastal management.** Convention of Integrated Coastal Management Practitioners in the Philippines. Davao City, Philippines, 10-12 November.

Watson, M. and J.L. Munro. **Maximizing settlement success in depleted marine reserves.** Mote International Symposium on Essential Fish Habitat and Marine Reserves. Sarasota, Florida, USA, 4-6 November.

Williams, M. J. **Portunids on postage stamps (poster) International Conference on Culture of Portunid Crabs.** Boracay, Philippines, 1-5 December.

Williams, M.J. and J. Kane-Potaka. **Playing world dominoes - how can the aquaculture industry benefit by heeding the needs of the poor?** Aquavision Conference. Stavanger,
