

The WorldFish Center, headquartered on the island of Penang, Malaysia, is a world-class scientific research organization. Our mission is to reduce poverty and hunger by improving fisheries and aquaculture. We have offices in 8 countries and engage in collaborative research with more than 200 partners in more than 25 countries. The Center is a nonprofit organization and a member of the Consultative Group on International Agricultural Research (CGIAR).

A unique opportunity has arisen for gifted individuals to contribute to the mission of the Center.
