

The WorldFish Center, located on the island of Penang, Malaysia, is a world-class scientific research organization. Our mission is to reduce poverty and hunger by improving fisheries and aquaculture. We have offices in nine countries and engage in collaborative research with our partners in more than 50 countries spanning the globe. The Center is a nonprofit organization and a member of the Consultative Group on International Agricultural Research (CGIAR).

A unique opportunity has arisen for a gifted individual to contribute to the mission of the Center and make a personal impact on the lives of millions of less fortunate people in developing countries around the world. You could be one of the highly competent and motivated individuals to fill the following position:

Head, International Research Support Services Information Technology (IRSS IT)

Responsibilities:

- Provide leadership and deliver cutting-edge technology & IT services;
- Manage IRSS IT processes and activities related to outsourcing IT services; from transition of processes to service delivery to monitoring of service levels;
- Responsible for the management of a wide range of IT infrastructure activities, such as network, databases, hardware and software applications within IRSS and the participating Centers.

Requirements:

- Degree in Information Technology, Information Management or Computer Science;
- 10 years experience in relevant field;
- 3 years experience in management;
- Experience in managing virtual teams;
- Experience from international private sector as well as international organizations (i.e. NGO, CSO, etc.) preferred;
- Strong management and leadership skills, analytical and technical skills, and project management and consulting skills;
- Strong knowledge and experience of outsourcing management and process transition;
- Demonstrated ability to communicate effectively at all levels and in multi-cultural settings;
- Good customer relationship management skills;
- Willing and able to travel extensively for work;
- Excellent proficiency in written and spoken English.

The WorldFish Center offers a competitive remuneration package, a non-discriminatory policy and provides an innovative work environment. Interested applicants are invited to submit a detailed resume that includes the names and contacts (telephone, fax, and e-mail address) of three (3) professional referees who are familiar with the candidate's qualifications and work experience, via e-mail to worldfish-hr@cgiar.org no later than **6 April**

2007. More information on the Center is available on our website, <http://www.worldfishcenter.org>. This position will be based in Penang, Malaysia and Colombo, Sri Lanka. Only short-listed candidates will be notified.
