# Who Can Apply?

- Registered NGO/CBO
- Communities can apply through Registered NGO's/CBO
- Research Institutions

# OP6 Strategic Initiative

## 1. Community Landscape/Seascape Conservation

- Maintain globally significant biodiversity and the ecosystem goods and services that it provides to society
- Promotion of collective management of trans-boundary water way systems and implementation of the full range of policy, legal and institutional reforms and investment contributing to sustainable use and maintenance of ecosystems

## 2. Innovative Climate-Smart agro-ecology Practices:

- Sustainable land Management in production systems (agriculture, rangelands, and forest landscapes)

## 3. Low Carbon energy access co-benefits

# OP6 Strategic Initiative

## 4. Low Carbon Energy Access Co-Benefits

- Support to transformational shifts towards a low-emission and resilient development

## 5. Local to Global Chemical Management Coalitions

- Increase in phase-out, disposal and reduction of release of POPs, ODS, Mercury and other chemicals of global concern

### **Cross-Cutting Strategies**

## 6. CSO-government dialogue policy and planning dialogue platforms

- Enhance capacity of civil society to contribute to implementation of MEA's (multilateral environmental agreements) and national and sub-national policies.

## 7. Promotion of Social Inclusion-

- GEF Gender Mainstreaming Policy and Gender Equality Action Plan and GEF Principles for Engagement with Indigenous People-Youth Involvement

# OP6 Strategic Initiative Continues..

## 8. Global Knowledge Platforms:

- Contribute to GEF KM Efforts
